

In-School Residencies & Programs

“Oh, for a muse of fire that would ascend the brightest heaven of invention! A kingdom for a stage, princes to act, and monarchs to behold the swelling scene!”

-William Shakespeare

Golden Isles Arts & Humanities offers **free programs and residencies** for Glynn County Schools! These are programs that can come to your school be it for a single class or for the entire school. In the past we have brought in artists to participate in school arts festivals, create murals in the hallways and much more. For 2017-18, we currently have playwriting workshops available for middle grade students that will assist in their participation in the Young Playwrights Award. All you have to do is call us to schedule.

Want something totally different for your class?

Great! If you know a specific program you'd like us to bring to your school, Fill out the Arts-In-Education Application and send it in. Please make sure the programs you request are tied to specific curriculum or to a community event (like The Big Read).
