

Dear Amazing Educator,

You will find a Resource Guide for the 2017 Big Read books, *The BFG* by Roald Dahl and *A Wizard of Earthsea* by Ursula K. LeGuin in your media center. It is chock full of scripts for in class drama (like you need more drama?!), art ideas, cross-curricular notions, and lots of extra resources, educator guides, classroom questions and website information.

That said, you can go to these websites and download to your heart's desire!
