

Golden Isles Arts & Humanities' Field Trip Policies

Due to a number of cancellations for field trip shows in the last few years, we are implementing payment policies. If this causes a hardship for you school or group, please contact us at artsed@goldenislesarts.org.

Payment Policies

1. Submit a 50% deposit a minimum of 4 weeks before the day of the performance. The remainder will be due at check in.
2. Return a signed copy of your invoice a minimum of 4 weeks before the day of the performance from a school administrator acknowledging you will pay the balance upon checking in the morning of the show.

If a reservation is made within two weeks of the show date, the balance must be paid in full or held with a credit card.

Cancelation Policies

All cancelations must be made no later than 4 weeks before the performance date in writing by emailing artsed@goldenislesarts.org. All cancelations made within 4 weeks of the performance date will pay a cancelation fee of 50% of the original total balance.

Ticket Adjustment Policies

If you need fewer seats than originally requested, email artsed@goldenislesarts.org no later than 2 weeks before field trip date. Reductions will not be made within two weeks. If you need more seats, Golden Isles Arts & Humanities will make every effort to accommodate the addition. Please email artsed@goldenislesarts.org to check availability.

Late Seating and No Show Policies

No refunds will be given in the event your group is late or misses your booked performance. If you are running late, please call our office at 912-262-6934 and, at staff discretion, we might be able to hold the start time of the show up to 10 minutes.

Seating

Your group will be seated together, when the whole group has arrived. Saving seats for group members is at staff discretion. Your group will be asked to enter the theatre in a single file line - this is the order they will be seated, including adults.

If your group has special needs, please include that information on your Field Trip request form, or contact artsed@goldenislesarts.org with your needs. Late groups or group members may not be seated with their party.

Field Trip Etiquette

Please review proper theatre etiquette with your students and parent chaperones.

1. No food or drink permitted in the theatre.
2. No photography is allowed during the performance.
3. Cell phones cannot be used during the performance - no texting, talking, games, or

Golden Isles Arts & Humanities' Field Trip Policies

anything else that causes the screen to light up or make sound. The staff reserves the right to confiscate the phone until the end of the performance.

4. In field trip shows, we ask the audience to remain seated after the performance. We will release you by groups, to make boarding your bus easier.
